Free Workshop – Whole House Energy Upgrades for Remodeling

Monday, April 11 in Manhattan Beach, 7 – 9 pm

South Bay Environmental Services Center (SBESC) provides critical energy and water saving information to businesses, residents, municipal governments, school districts and other special agencies. Through its partnership with Los Angeles County, Southern California Edison and The Gas Company, SBESC has the following important bulletin:

South Bay - Free Workshop: Whole House Energy Upgrades for Remodeling. This is an exciting time to be thinking about remodeling your home. There are many new financial rebate and incentive programs on the federal, state, and local levels available to homeowners that will ultimately provide you with a healthier home that is energy and water efficient and costs less to operate. Please join us to learn more about the step by step process of making your whole house more energy efficient and how to maximize your investment. Monday, April 11, 2011 from 7:00 – 9:00 pm at the South Bay Adult School, Room 36, 701 S. Peck, Manhattan Beach, CA. To register for the **FREE** workshop, please visit SBESC's website at www.sbesc.com or call 310-371-7222 ext 206.

SBESC

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas CompanySM, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit www.sbesc.com for the latest activities, schedules and opportunities to participate in a greener South Bay.
