ENERGY UPGRADES FOR REMODELING YOUR WHOLE HOUSE: FREE WORKSHOP

SOUTH BAY – On Tuesday, January 10, 2012, from 7:00 - 9:00 pm, **Energy Upgrades for Remodeling Your Whole House**, a free workshop, will be presented by the South Bay Environmental Services Center in collaboration with the South Bay Adult School, Mira Costa High School, 701 S. Peck Ave., Room 36, Manhattan Beach, CA. This is an exciting time to be planning a remodel. This workshop explores the whole house approach in finding ways to incorporate energy efficiency. Many new financial rebate and incentive programs on the federal, state, and local levels are available to homeowners that will help maximize the remodeling investment, including **Energy Upgrade California!** The result will be a healthier home that is not only energy and water efficient but will cost less to operate. Space is limited. Registration is required, www.sbesc.com. For more information, call SBESC at (310) 371-7222, and ask for Grace at extension 206.

This workshop is open to residents in the South Bay.

SBESC

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas CompanySM, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit www.sbesc.com for the latest activities, schedules and opportunities to participate in a greener South Bay.
