## **Energy Upgrades for Remodeling Your Whole House – FREE Workshop June 27, 2011**

South Bay Environmental Services Center (SBESC) provides critical energy and water saving information to businesses, residents, municipal governments, school districts and other special agencies. Through its partnership with Los Angeles County, Southern California Edison and The Gas Company, SBESC has the following important bulletin:

**South Bay** – On Monday, June 27, 2011, 7:00 - 9:00 pm, **Energy Upgrades for Remodeling Your Whole House**, a FREE WORKSHOP will be presented by the South Bay Environmental Services Center in collaboration with the South Bay Adult School, Mira Costa High School, 701 S. Peck Ave., Room 36, Manhattan Beach, CA. This is an exciting time to be planning a remodel. This workshop explores the whole house approach in finding ways to build in energy efficiency. Many new financial rebate and incentive programs on the federal, state, and local levels are available to South Bay homeowners that will help maximize the remodeling investment, including **Energy Upgrade California!** The result will be a healthier home that is not only energy and water efficient but will cost less to operate. Space is limited. Registration is required, [www.sbesc.com](http://www.sbesc.com). For more information, call SBESC at (310) 371-7222, and ask for Grace at extension 206.

### SBESC

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas Company<sup>SM</sup>, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit [www.sbesc.com](http://www.sbesc.com) for the latest activities, schedules and opportunities to participate in a greener South Bay.
