### **How to “Green” Your Home with Energy Upgrade California**

*FREE WORKSHOP FOR HOMEOWNERS IN THE SOUTH BAY*

#### **Dollars and Incentives Available!**

SOUTH BAY – FREE workshop in Torrance on Wednesday, March 14, 2012 from 7:00 – 9:00 pm. Through Energy Upgrade California in Los Angeles County, homeowners who complete qualifying energy –saving home upgrade projects can receive rebates and incentives of up to \$8,000! With a variety of improvement options, homeowners can increase their home’s energy efficiency *and* reduce monthly utility bills.

Please join the South Bay Environmental Services Center (SBESC) to learn more about maximizing your investment by making your whole house more energy efficient.

Free CFL bulbs for those in attendance.

The FREE workshop is on Wednesday, March 14, 2012 from 7:00 – 9:00 pm at the South Bay Environmental Services Center’s Office, 20285 S. Western Ave, Suite 100, Torrance, CA 90501.

Seats are limited – please pre-register. Register online at [www.sbesc.com](http://www.sbesc.com) or call Grace at 310-371-7222 x 206 for more information.

This workshop is open to anyone who lives or works in the South Bay and is serviced by South California Edison and/or The Gas Company®. Tell your neighbors, friends and family. They can attend, too!

#### **SBESC**

The SBESC is the South Bay's local clearinghouse for energy and water efficiency training, materials and other environmental information. SBESC works closely with the sixteen South Bay cities and County Unincorporated Areas of the South Bay on the implementation of energy and water saving projects that reduce greenhouse gases as well as costs. SBESC provides resources and tools to assist residents, businesses, and public agencies in better understanding the potential for energy and water efficiency within their homes and businesses. The Center hosts a wide variety of seminars, training sessions, and participates in many community events to assist consumers in making the best decision regarding energy and water use. The SBESC is operated by the South Bay Cities Council of Governments (SBCCOG) which partners with The Gas Company<sup>SM</sup>, Southern California Edison, West Basin Municipal Water District, City of Torrance Water Department, Sanitation Districts of Los Angeles County, Los Angeles County Metropolitan Transportation Authority, and County of Los Angeles. Visit [www.sbesc.com](http://www.sbesc.com) for the latest activities, schedules and opportunities to participate in a greener South Bay. ###
