

# Making Your Home Healthier & More Comfortable the Energy & Water Efficiency Way

## FREE WORKSHOP

Tuesday, July 17, 2018 from 7-9pm

South Bay Adult School (Mira Costa HS campus)  
701 S. Peck Avenue, Room 111, Manhattan Beach

- \* Is your home cold and drafty in the winter?
- \* Is your home hot and stuffy during heat waves?
- \* Are you wondering how to better manage your energy usage?
- \* Are you looking for ways to lower your energy and water bills?
- \* Have you considered renewable energy?

Money Isn't All You're Saving

Please join your neighbors at a free community workshop to learn how to upgrade your home to make it healthier, more comfortable, and more energy efficient. Learn about home energy upgrades, utility programs, rebates, and renewables. Information on ways to finance energy and water efficiency and renewable projects will be available.

To register visit [www.sbesc.com](http://www.sbesc.com) or call 310-371-7222

This workshop is presented by South Bay Environmental Services Center, a program of the South Bay Cities Council of Governments. Funding is provided by California utility customers and administered by Southern California Edison and Southern California Gas Company (SoCalGas®). Additional partner funding is provided by West Basin MWD, City of Torrance, Sanitation Districts of Los Angeles County, Los Angeles Dept of Water & Power, Water Replenishment District, and Metro.
